

## Schroeder YMCA Swim Team

1. Our Schroeder A+ meet is coming up on the horizon. Many of you have signed up for spots at the Supermeets. Thanks! **There are some left and we need all the help we can get so if you haven't please do and if you can sign up for another.** Please review the A+ meet information on our site under the major hosted meets tab and return your entries to us by Thursday, January 15th. Schroeder swimmers do not have to observe the time standards.
2. The Tri State Challenge is a travel meet with time standards and is recommended for swimmers in Group 3, 5 & 6. Swimmers in groups 1, 2 & 4 who meet the qualifying times are encouraged to go as well. On the same weekend, January 24 & 25 there is a meet at Arrowhead High School and it is for athletes who do not have the Tri State Time standards.
3. There will not be practice on Saturday, January 24 with the meets. And no group 6 practice on that Sunday.
4. We have begun a new Session of Super Stars, Dive Lessons and Home School Aquatics. If you know anybody who might be interested please point them to us!
5. We have WSAC stickers for vehicles for sale in the office. Please ask \$10 (goes to a good cause)
6. Below is an important note to parents of kids in Groups 1 & 2
7. Next Thursday we are going to have a "Bring a Friend" day for groups 1&2. Please encourage your kids to bring someone along to try swim team out for the day.

Friends of Schroeder Campaign

Walter Schroeder Aquatic Center

Hi Group 1 and 2 Parents,

I spoke with many of you on the phone in the past few weeks, and I wanted to say thank you to everyone who has donated to the Friends of Schroeder Campaign thus far. If you have committed to donating, but have not done so yet, please feel free to print out the information from our website and placed your donation in the scratch box outside of the office.

As we near the end of the season, here are a few questions some of you may have.

Q: When does the season end?

The last practice for an individual will be the day before their last meet. For most swimmers, this means that the last practice will be the Thursday before the Last Chance meet on March 15th at Oshkosh YMCA. However, if your child has Y-State cuts, their last practice will be the following Thursday before the Y-State meet that weekend.

\*\*Please note that as you are reading through the meets below, you notice that there are 2 types of State meets. One is a WI State meet, while the other is a Y-State meet. Thus, there are different cut times that the swimmer must have in order to compete either.

What meets are left for the season?

A: Here is a comprehensive list of the meets for Group 1 or 2 swimmers. This list can also be found online. Please note that there are **no time standards** for Schroeder swimmers at the A+ meet.
