

## Schroeder YMCA Swim Team

1. The full Fall Practice Schedule begins on Sunday, 9/27 with training for Group 6 and then on Tuesday morning, 9/29 Long Course training on T / Th AM, Fri PM & Sat. AM.
2. New Member Sign-Up Incentive: You may know of many families that are interested in swimming year round. We want to encourage you to direct these families to our Orientation Days or regular practices in September where they can meet the coaches, and see what swimming at Schroeder is all about. If these families proceed with joining the swim team, we would be happy to offer you either a \$50 credit towards your escrow account, or \$50 off your next month swim team payment. Thank you for all that you do already, and for spreading the word about our team!
3. Parents and athletes please help us with your Locker Rooms. Athletes - put your towels in the bins, and keep litter and food off the floor and in the trash cans. Parents, particularly DADS, we encourage you to swing through the locker rooms before and after practice. Shenanigans abound without adult supervision.
4. The west parking lot is due to be completed by early October. Please park on the east side or in front of the clinic for practices, drop off and pick up. For your safety and security and for of all the users of the Healthy Lifestyle Village, we ask you to respect the goal of entering the buildings from the main entrances on the north east and north west of the property. Please do not open the doors associated with the Aquatic Center.
5. The Membership section of the website has been updated.
  - Returning members can find a 2010 USA Swim Registration form - return it and a check made out to: WSAC by October 15 and Swim Team Family Work Requirements form - must be returned by October 15.
  - Please read the attached letter from Daphne Kohnke explaining the registration process.
  - We have increased fees this fall by 2.5% for all groups effective for the October 15 draft. The new rates are posted on the website.
  - Supermeets - the web-based system we use to sign up to work at our meets will be "turned on" on Friday, October 2. Recall it is first come, first served.
6. Meet Schedule and Practice Schedules have been updated - take a look but much remains the same from years past.
