

Schroeder YMCA Swim Team

1. The 2nd annual ***Friends of Schroeder Campaign*** is beginning this week with an ambitious goal of \$17,500. The Friends of Schroeder Campaign helps to underwrite the ongoing costs of running the Walter Schroeder Aquatic Center and it enables kids and families to participate in our programs who could not afford it otherwise. Thanks for your support of the Walter Schroeder Aquatic Center.
2. The Walter Schroeder Aquatic Center is excited to announce that we will host a raffle during the YMCA Finalist Meet this year. We need YOUR help to secure great items for this raffle that families would love to have for the holiday season. Adam is currently participating in two World Cup meets in Europe and will be bringing home some great signed gear by the world's best swimmers. We are looking for items that kids and parents would love to have including: Amazon Kindle, DJ Hero, Touch or Nano IPODs, and the Nintendo Wii! Tickets to sporting events are also great raffle items including Marquette, Wisconsin and Milwaukee Bucks games. Packers tickets are always a hit. Any ideas or help you can provide would be appreciated. Thanks in advance.
3. Muskyland Invite is on Saturday at the YMCA of the Pabst farms in Oconomowoc. Note the later warm up time 8:00 AM and 11:00 AM for the second session. Check our site under meet schedule for directions and info. There will not be training on Saturday for all groups with the meet.
4. Y Invite and WGLO entries are complete - entries are posted on the website under the meet schedule tab - however, if you've made changes recently these are not always captured and updated on these reports. When in doubt please ask your coach.
5. Two new programs are starting. The first is an Adult Novice Swim Program and the second is Off-Season High School Training. Both programs will be offered on Mondays from November until March and while they are scheduled the same day the programs are aimed at different groups. Take a look and please spread the word. The first week of the Adult Novice saw nine new swimmers!
