

## Schroeder YMCA Swim Team

1. Now 41 golfers have signed up to play in the 2nd Annual Schroeder Golf Outing on June 21. Grab your clubs and your friends, view the Golf Outing tab on the website for more information and sign up!
2. The lockers in both the men's and women's Locker rooms have been removed and both will be deep cleaned tonight. After the walls are painted, the lockers will be moved from the University School to our facility in the next weeks. Later, after the summer season concludes and with funding from donors we hope to replace the carpets, and further update the locker rooms.
3. The BST Sunshine Invitational is this weekend beginning on Friday. A psych sheet for a limited number of events was sent out yesterday with a basic timeline. Friday's events are "Check In" and several are limited as was mentioned in the note yesterday. If you know that you can not swim on Friday - please let us know so we do not check you in. Also, there will not be training on Fri, Sat, Sun accordingly.
4. NX Level Sports Performance will be bringing it's strength and conditioning program to Schroeder! Many swimmers have been training with owner / operator Brad Arnett at his facility in Waukesha since before the 2008 Olympic Trials. We are excited about the partnership that we plan to launch for athletes in Groups 2 and up as soon as school lets out and we begin our summer schedule. Tentative information is posted on our site but it is subject to amendments.
