

Schroeder YMCA Swim Team

1. We are up to 67 golfers who have signed up to play in the 2nd Annual Schroeder Golf Outing on June 21. More info will be emailed and posted on our site but it's just a great turn out for the event. We will probably fill at 72 golfers and make the second annual event a total success. Grab your clubs and your friends, view the [Golf Outing tab](#) on the website for more information and sign up!
2. The locker room walls have been painted, and new lockers have now been moved from the University School to our facility. There is still some finish work that need to be completed before you are able to put a lock on a locker. We will let you know as soon as the dates are finalized. Later, after the summer season concludes and with funding from donors we hope to replace the carpets, and further update the locker rooms.
3. The YMCA of the Pabst Farms is hosting their first annual meet at Schroeder this weekend on Saturday. The meet is Prelim / Final - if you do not intend to swim at night and you qualify please let the coaches know asap after each prelim swim so that you can be scratched from finals.
4. Practice Schedule Changes:
 - No practice for all groups on Sat with the meet
 - [Summer training schedule](#) began smoothly on Monday
 - No practice for Group 6 on Thurs, 6/17 PM
 - There will not be practice on Monday for groups 1&2 because of the Golf Outing - however groups 3 - 6 will enjoy practice as scheduled on Monday afternoon.
5. 15 older and 10 younger athletes have signed up for NX Level programming. So far the workouts have been great! If we get more interest we'll try to open additional sessions. If there's interest from adults, we could add a session on Monday evenings - please contact Jess or Dave if you are interested. Information and sign up is [posted on our site](#).
6. Entries for [WGLO will be due](#) on Monday, June 21. This a meet with time standards and fines for unproved times - so check before before entering.
