## Schroeder YMCA Swim Team

1. The Pentathlon Meet went smoothly and many Schroeder swimmers recorded fresh times in the four strokes and an IM. The progression of fall competition from informal meets like Pentathlon to the larger meets in December is important for gaining experience and confidence for athletes, coaches and meet management.
2. Officials Training - Cindy Raatz will lead an Officials Training associated with the Muskyland Invite at the Oconomowoc YMCA. Parents: if you have an inkling that you might want to be an official please ask a coach or Cindy about what's involved.
3. Later tonight or early Thursday, review your entries for the Muskyland Invite at the YMCA of the Pabst Farms on November 7. Please let your coaches know if you see mistakes or omissions.
4. Meet Entries for both the Schroeder Y Invite and the WGLO are due TODAY, Wednesday, October 21.
5. Meet information for the Chesapeake Pro Am in Oklahoma City, OK and the 2010 National YMCA Champs are both now available on our site.
