Walter Schroeder Aquatic Center

November 12, 2008

Dear Friend of Schroeder,

It is hard to believe that it has been nearly three months since the sale of the Walter Schroeder Aquatic Center was concluded in July. Since that time, the facility has undergone \$700,000 in critical renovations and all of our programs have re-started with a palpable enthusiasm and optimism.

We are striving to grow our programs, increase the number of events that take place in our facility and develop new programs and services to help offset the costs of staffing, heating and maintaining the Aquatic Center.

In these turbulent economic times we need your help more than ever to help offer and provide high quality programs and maintain this great aquatic resource for our community.

The ***Friends of Schroeder Campaign*** is an annual sustaining campaign that has two purposes:

1. Helping kids and families who can not afford the whole cost of participation
2. Underwriting the ongoing operation of the facility and programs

We are fulfilling the Walter Schroeder Aquatic Center Ltd's mission of securing the facility for future generations, delivering programs that promote character development and preparing members for a successful college career and for life everyday.

As you again determine your yearly contribution to organizations in the community, please consider the Walter Schroeder Aquatic Center.

Sincerely,

Matt and Dave
